Speak, play, learn with

English in Action®

SOL is partnering with English in Action to bring English language project weeks into schools across central and eastern Europe.

Immerse your students in a dynamic, hands-on learning experience with English in Action! This exciting programme combines language learning with interactive activities, ensuring students build confidence and fluency in real-world situations.

[MORE information here](#)

Designed to be engaging, educational and unforgettable, English in Action helps learners develop their communication skills in a fun and supportive environment.

SOL will subsidise your in-school experience by providing 50% of your project week cost!
